These changes will become effective on or about November 25, 2008. A revised package insert and Fact Sheet are attached for your reference. Once existing Lupin inventory levels of the old product are depleted, customers will be notified upon shipment of the new product in order to make the appropriate changes in their system. ***All lots with the new tablet imprints will be labeled "Now Coated" on each bottle to help prevent mixing of old and new lots.*** We appreciate your support during this transition and thank you for your continued partnership.

Sincerely,

Sales & Marketing Team, Generics Division  
Lupin Pharmaceuticals, Inc.
